## Why this statement?

Due to the nature of our services, we at bizzerd have certain information about you, for example the information that you state on your digital business card. We handle this very carefully and we ensure that every processing of your data complies with the laws and regulations. This privacy information applies to all data that bizzerd processes about you in the context of the services that bizzerd markets.

## Who processes your data?

The person responsible for the processing of your personal data is bizzerd bv, Rembrandtlaan 24, 3723 BJ in Bilthoven, The Netherlands. What data is it? Personal data: If you conclude an agreement with bizzerd, and thus become a customer / buyer, bizzerd processes your personal data. These are data that can be traced back to individual natural persons. These are, for example, the address details that you state on your digital business card. If you create an account with bizzerd, you will also be asked to enter a username and password. All these data are processed by bizzerd. Traffic data: If you use the services of bizzerd, bizzerd also processes traffic data related to this use. This concerns, for example, the contacts with whom you share your digital business card.

## No disclosure to third parties

bizzerd processes personal and traffic data solely for the purpose of providing services to consumers and customers. We do not provide data to third parties.

## Retention period

bizzerd does not store your data longer than is legally permitted and necessary for the realization of the purposes for which your data is processed. If you have an agreement with bizzerd, your personal data will be stored for the duration of the agreement.
